

St. Paul's Lutheran Church
All are welcome at God's table.

St. Paul's Lutheran Church of Santa Monica, founded in 1926, is a Reconciling in Christ Congregation of the Evangelical Lutheran Church in America (ELCA), committed to living out our faith through worship, learning, service, and by pursuing justice, reconciliation, and wholeness for all.

Music has always been an important part of our worship life at St. Paul's. We experience God's grace in word and music through the voice of our Abbott and Seiker pipe organ, our Steinway piano, our Hubbard harpsichord, our many outstanding instrumentalists, and the individuals who make up the choir.
